Health details

Keeping your personal information safe is of the greatest importance to us. We will ask you questions about your health in relation to the gluten free diet and coeliac disease and your ethnicity to ensure we provide the right information to you whilst supporting research into coeliac disease. We are the only organisation in the UK that manage a register of people who need to follow the gluten free diet, which can help researchers find better solutions to managing the diet, and eventually, curing coeliac disease.

Please consider including a donation. A donation to Coeliac UK will be used to campaign for greater knowledge around coeliac disease and other gluten related conditions, fight to change legislation and challenge the food industry to provide better options for those needing a gluten free diet. It also goes towards our ground breaking research into the disease, what causes it, possible new treatments and hopefully one day finding a cure.

To Gift Aid your donation please tick and sign below

Boost your donation by 25p of Gift Aid for every £1 you donate

I want Coeliac UK to claim Gift Aid on my donation, any donations I have made in the past four years, and those I make in the future, until I tell you otherwise. I am a UK taxpayer and understand that if I pay less Income Tax and/or Capital Gains Tax than the amount of Gift Aid claimed on all donations in that year it is my responsibility to pay the difference. I will tell Coeliac UK if I am no longer eligible to claim Gift Aid or if my name or address change.
